Things that I love to do are...

- I love doing arts in different mediums and platforms
- I love listening to music just to kill time
- I like sweets, it stimulates my brain
- I prefer black colors over any other shades
- Coffee is my partner-in-crime
- I love collecting classic books and reading mangas during my free time

Petpeeves:

1. Someone who loudly chew their food
2. Person who intentionally raises their voice for no reason
3. Someone who do not understand what "Silent reading" means
4. Someone who intentionally touches my hair
5. A person that habitually walks behind me, even though I already told them not to do it
6. Generally, people with unlikeable personalities that definitely clashes against my personality
